SHALOM ACHSHAV, the Israeli Peace Movement, was founded in 1978 by 348 reserve officers and soldiers of the Israel Defense Forces. It rapidly became the most important extra-parliamentary force for peace in Israel, attracting hundreds of thousands to its mass rallies and activities. SHALOM ACHSHAV believes that only through negotiations and mutual compromise can peace be achieved between Israel and its neighbors, including the Palestinians, and it is only through peace that a secure future can be achieved for the peoples of the region.

Sharing fully in these beliefs, the mission of AMERICANS FOR PEACE NOW is to help SHALOM ACHSHAV and Israel achieve a comprehensive political settlement of the Arab-Israeli conflict consistent with Israel's long-term security needs as well as its Jewish and democratic values. Giving voice to the majority of American Jews supporting peace in the Middle East, APN seeks to educate the American public and political and civic leaders on the need and possibility for peace.
