

Ehud Barak in Washington:

**“We will not leave a single stone unturned in the effort to return to negotiations”**

November 10, 2009

Construction in the settlement of Kiryat Arba (Hebron), October 2009

Since June 2009, new construction projects have been launched and tens of units have been started in at least 30 settlements, most of which are on the Palestinian side of the separation barrier.
